CIR/OLYMPIADS/2019

Dear Parent,

Olympiad and other Competitive Examinations at school level are conducted to imbibe problem solving skills and analytical skills in school students. The objective of these exams is to develop the child for preparation of future competitions and challenges that would be thrown open to them in the future. School has planned to conduct number of such examinations for the academic year 2019-20. **Last date of remittance for the examinations for which the fee is applicable is 3rd Sep 2019. Participation is not at all compulsory for any of the Examination. If number of participants are not sufficient, exam will be cancelled. In That case fee will be refunded.**
